TRAINING CENTER

MEDIC First Aid® BasicPlus is a combined adult CPR, AED, and first aid training program designed specifically for the occupational first aid provider. This extremely flexible program will help employers meet OSHA and other federal and state regulatory requirements for training employees how to respond and care for medical emergencies at work.

Target Audience

Occupational first aid providers who are not healthcare providers or professional rescuers.

Prerequisite: There are no prerequisites for this course.

Completion Time: 4-5 Hours

Student/Instructor Ratio: 12 to 1

Certification Period: 2 years

Note: This training program conforms to the 2015 AHA Guidelines Update for CPR and ECC and the 2015 AHA and ARC Guidelines Update for First Aid.
