

PEC Basic Orientation

SAFeworld

SAFETY FOR PEOPLE AND PLACES

BASIC
ORIENTATION

PEC
SAFETY
AUTHORIZED PROVIDER

Ensure your employees are using PEC Basic Orientation, the most widely used safety orientation in the US onshore and offshore E&P Industry, accredited by both **SafeLandUSA** and **SafeGulf** and presented by SafeWorld!

Basic Orientation meets **API RP 75 & API RP T-1** requirements and provides a basic understanding of general safety information at an awareness orientation level.

Upon completion of the course, all students are automatically entered into PEC's Training Tracker where your company's clients and auditors can view proof of employee orientation.

Target Audience: Oil and gas industry employees working in plant, dockside, onshore or offshore facilities, contractors and operators.

Prerequisite: There are no prerequisites for this course.

Completion Time: 6-8 Hours

Certificates: PEC ID card with student picture, bar code, and completed courses.
